Subject: Intimation of seats for the counselling of admission in Post Graduate Medical courses of session 2022-23 through NEET PG-2022 in Katihar Medical College, Katihar as a participating medical college.

Ref: Govt. of Bihar, Health department letter no. 1/Pa. Ni.-06/2022-423(1) dated 13-06-2022, Our letter no. KMC/PG/1678/2012 dated 24-06-2022 and BCECE Board email dated 12-09-2022.

Sir,

With reference to above referred letter on the subject mentioned above, the details of Postgraduate Medical Degree seats of session 2022-23 available for admission in this college through NEET PG-2022 is attached herewith for kind information and necessary action.

It is pertinent to mention here that the students desirous of taking admission wish to get admission in the subject of their choice as per earliest available opportunity. If the counselling is delayed or seats are not made available in time during first counselling itself, the desirous candidates do not wait rather prefer getting admitted in other State in the course of their choice.

It is therefore requested that the counselling be held as per time schedule fixed by Govt. of India/National Medical Council and be pleased by filling all the seats during the first counselling itself.

Thanking you,

Yours Sincerely,

PRINCIPAL
