Subject: Intimation of seats for the counselling of admission in Post Graduate Medical courses of session 2026-27 through NEET PG-2026 in Katihar Medical College, Katihar as a participating medical college.

Ref: Health Dept., Govt. Of Bihar letter no. 1274(1) dated 14-09-2026.

Sir,

With reference to above referred email on the subject mentioned above, the details of Postgraduate Medical Degree seats of session 2026-27 available for admission in this college through NEET PG-2026 is attached herewith for kind information and necessary action. **Further the college has applied to National Medical Commission, New Delhi for increase of seats in MD Anaesthesiology, MD Biochemistry, MD Radiodiagnosis, MS General Surgery, MS Ophthalmology, MS Otorhinolaryngology (ENT) and MS Obstetrics & Gynaecology courses which is under process and the permission is awaited. In case permission for increase of seats in above courses is granted by NMC then the seat matrix will be revised accordingly.**

It is pertinent to mention here that the students desirous of taking admission wish to get admission in the subject of their choice as per earliest available opportunity. If the counselling is delayed or seats are not made available in time during first counselling itself, the desirous candidates do not wait rather prefer getting admitted in other State in the course of their choice.

It is therefore requested that the counselling be held as per time schedule fixed by Govt. of India/National Medical Commission and be pleased by filling all the seats.

Thanking you,

Yours Sincerely,

PRINCIPAL
